PRESENTS

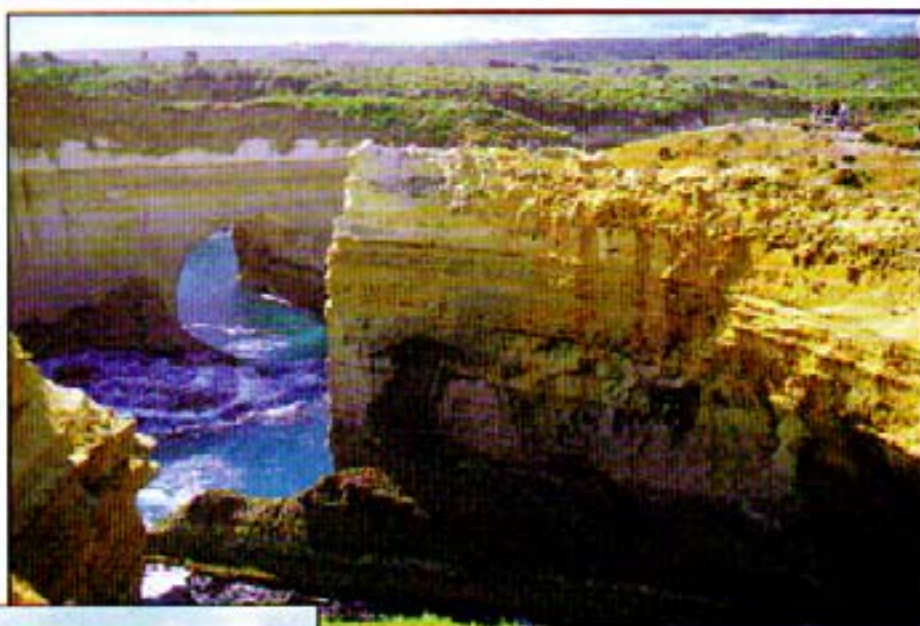

THE GREAT OCEAN ROAD  
ADVENTURE

## The Great Ocean Road

One of the Great Road Journeys of the World, this spectacular coastline will leave you breathless. You'll love Lorne and be amazed by the Twelve Apostles, while passing famous landmarks around pretty seaside villages. In a word, Stunning!

## Geelong's Galleries, Gardens & Museums

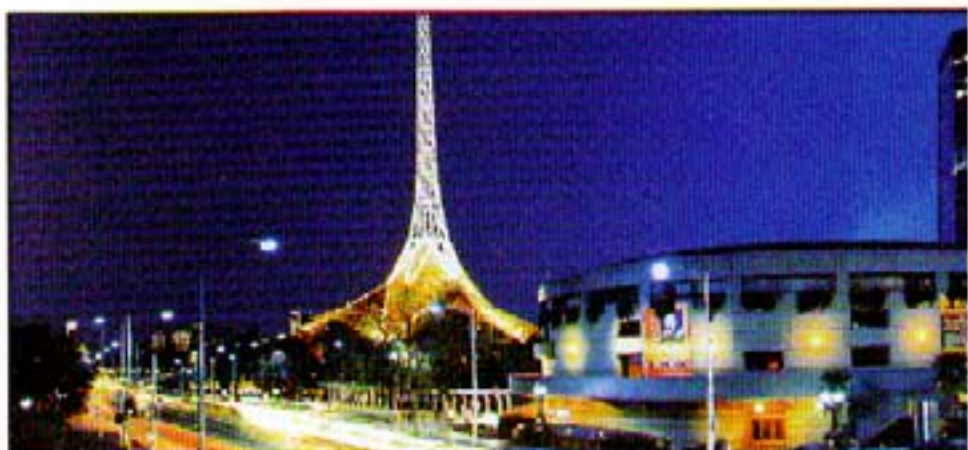

Everywhere you drive in Geelong is a classic display of National Trust buildings and magnificent gardens. An historic 1872 blue-stone building houses the National Wool Museum, where displays and working examples of old machinery create the sights and sounds of our precious wool heritage. Stroll along the Esplanade, chat with the beach "family" The Bollards, or shop to your heart's content in arcades close by.

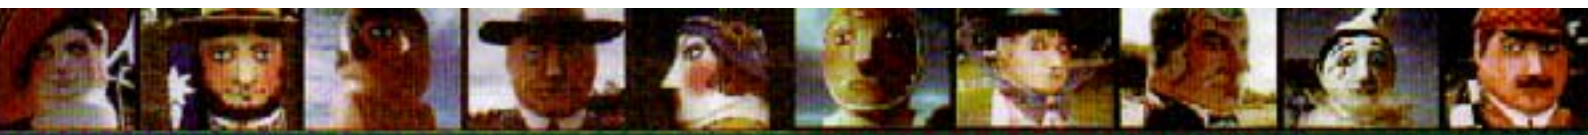

## Werribee Mansion and "Capital" Melbourne

Hark back to the days of Victoria's wealthy squatters at The Werribee Park Mansion, a rambling Italiante styled building set in 10 hectares of formal gardens highlighted by the display of four thousand roses.

We motor on to grand old Melbourne. If you love a bargain you'll be in your element at Queen Victoria Markets, where 1,000 traders offer their wares.

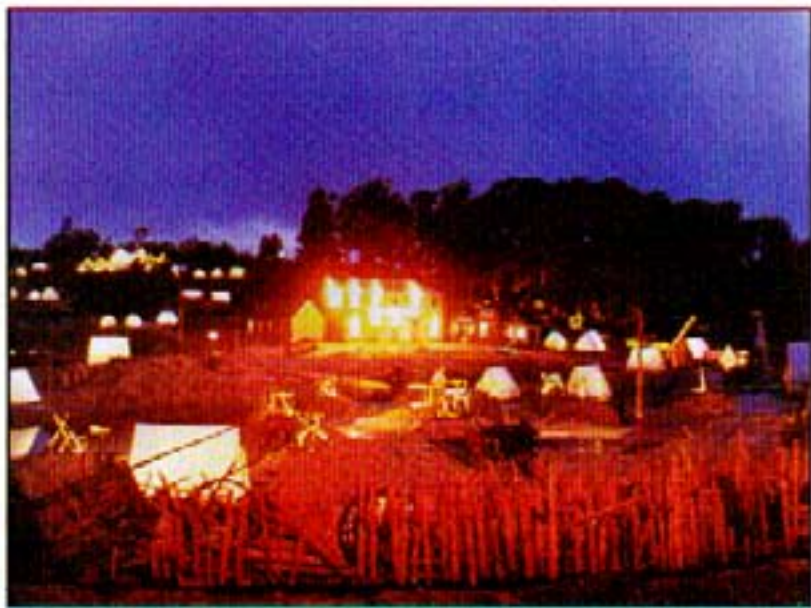

Next the South Bank – home of the Crown Complex, Australia's largest Casino. World class shopping, restaurants, cafes will tantalise. Plush décor and colourful water fountains dancing to classical music all create an engaging spectacle.

## Eureka!

Ballarat truly embodies the birthplace of the Australian spirit. The Eureka experience comes alive at the award winning gold rush town of Sovereign Hill. Streets bustle with people dressed in costume of the period, the Diggings are alive with miners panning for real gold – you too may have a lucky strike. Ride in a horse-drawn carriage along streets of shops, hotels, schools, a theatre, the sound of steam driven machinery always in the background. We leave this exciting place for the tranquillity of Lake Wendouree where the outstanding Botanic Gardens await you. Exceptional statuary, the Avenue of Prime Ministers and world-class floral displays make this a place to linger. Charming cottages, gardens spilling over with flowers and majestic trees will keep this beautiful town always in your memory. . .

## Phillip Island

Phillip Island attracts millions of visitors each year to experience Australia's unique wildlife attractions. Seal Rocks and the unforgettable Fairy Penguin Parade. Every night after fishing for whitebait for their young, small groups of penguins waddle out of the surf, marching up the beach on parade – a unique and fascinating spectacle you will long remember. A day filled with visions of our wildlife in natural surroundings, spectacular scenery and island heritage. . .

*So Much to See!*
